### **Looking for Volunteers to Serve on Herndon Festival Entertainment Sub-committee**

The Staff of the Herndon Parks and Recreation Department is excited to begin planning next year's entertainment for the 26<sup>th</sup> Annual Herndon Festival scheduled for June 1-4, 2006.

The Entertainment sub-committee is looking for a few key people who would like to volunteer and serve on the Citizens Advisory Committee. Meetings are at 5:00 PM at the Herndon Community Center, starting October 18. Candidates should have some background or knowledge of local, regional, and national talent, must be willing to research and bring viable options to the table for consideration.

This group acts as the first step in screening materials that are submitted for consideration and crafting a list of viable options for the executive committee to consider. The committee acts as a support entity and works under the supervision of the Performing Arts and Special Events Supervisor.

For more information, contact Holly Popple, at 703-435-6800 or [holly.popple@herndon-va.gov](mailto:holly.popple@herndon-va.gov).
